**RE: RECOMMENDATION FOR...ONYANGO GEORGE S. OCHIENG:... ADM NO:

The above named student from *Muranga University of Technology* pursuing a *Degree Course* in *Mathematics and Computer Science* joined *Siaya Law Courts* for attachment on 4th day of *October, 2021* to 17th day of *December, 2021*.

ONYANGO GEORGE S. OCHIENG is patient, very diligent and an individual with high aptitude for:-

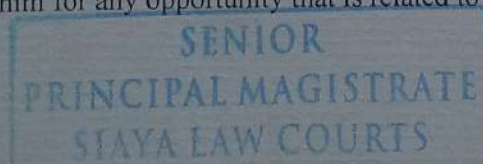

- Data entry
- Registering cases in CTS
- Updating files in CTS
- Data Recovery
- Testing and maintenance of computers
- Testing and maintenance of networking devices
- Assisting virtual court sessions.

He worked as per the timeliness, punctual and a team player, demonstrating excellence and willingness to take his work seriously. He was one of the most talented students I have encountered in my career as a Magistrate and as his supervisor which has led me to believe that nothing can be the limit to his growth and achievements in his Mathematics and Computer science course and beyond.

I highly recommend him for any opportunity that is related to his course in your organization.

Kind regards.

Yours Sincerely.
